OUR REVIEW :

In 2013, the possibility of a sequel became more likely after the film surpassed a gross of $200 million worldwide. It was reported that Tom Cruise will reprise his role as Jack Reacher. The Hero left home at 18, graduated from West Point. Performed 13 years of Army service, demoted from Major to Captain in 1990, mustered out with the rank of Major in 1997. As kids, Jack and his brother moved so much that spending a full school year in any one place felt weird. What he doesn´t have : A driver´s license, Federal benefits (doesn´t want them), tax returns (doesn´t do them; he hasn´t filed taxes since he left the Army).

The film' s atmosphere reflects one of Jack Reacher's quote : 'Just lost interest, I guess,' he said. 'The defense cuts were happening. Made the Army seem unnecessary, somehow. Like if they didn´t need the biggest and the best, they didn´t need me. Didn´t want to be part of something small and second-rate. So I left. Arrogant, or what ?' (Jack Reacher Bio by Lee Child).
